OVERLAND LETTERS AND POSTAGE.

IT is hereby notified for general information—
First.—That all Letters and Newspapers, except Soldiers' and Sailors' Letters, intended for transmission by the Overland Mails, and except those specially marked "via Falmouth," will be sent through France, and thus be subject to the heavier rate of postage.
Second.—Letters and Newspapers addressed to France, as well as those to other foreign countries, with which France is the channel of communication (if the latter are expressly directed to be so sent) will be made up in Packets and sent to the French Post Master at Marseilles; but Letters for Foreign Countries, other than France, if not specially directed to France, will be included in the Packets for England. Letters, &c., for places lying between Bombay and Marseilles, will be despatched in separate Packets.
Third.—Letters for the United Kingdom of Great Britain, weighing less than a quarter of an ounce, and passing through France, are charged single postage, which by that route amounts to 2s. 8d. By the Falmouth route, Letters of half an ounce in weight, are subject to single postage only, which by that route, has now been reduced to 1s.
 Newspapers, if sent via Falmouth, are free of postage; but if transmitted by the way of Marseilles, they are charged 2d. each.

The Policies of Insurance must be effected in the name and on behalf of the East India Company, as the Parties interested, or endorsed to their order ; but persons desirous of effecting the necessary Insurance in this Country, and of depositing the Policies in the Company's Treasury, will be allowed to do so.

5th.—In case of default being made either in acceptance, or payment of the Bills, the Court of Directors to be authorized, in such manner and at such times as they may see fit to sell the Goods, for the purpose so re-paying the Company the amount of the Advances made thereon, including Freight and any other charges or expenses which the Company may have incurred on account of the Consignment, together with interest, should any have accrued ; the Company, on the other hand, allowing discount, where any part of the proceeds shall be realized before the Bills fall due, and the settlement of either surplus or deficiency shall be made with the Consignor ; and if in India or China by the Government or Agents from whom he received the Advance, at the rate of exchange at which the Company may at the time be drawing Bills upon such Government or Agents.

OVERLAND LETTERS AND POSTAGE.

IT is hereby notified for general information—

First.—That all Letters and Newspapers, except Soldiers' and Sailors' Letters, intended for transmission by the Overland Mails, and except those specially marked "via Falmouth," will be sent through France, and thus be subject to the heavier rate of postage.

Second.—Letters and Newspapers addressed to France, as well as those to other foreign countries, with which France is the channel of communication (if the latter are expressly directed to be so sent) will be made up in Packets and sent to the French Post Master at Marseilles; but Letters for Foreign Countries, other than France, if not specially directed to France, will be included in the Packets for England. Letters, &c., for places lying between Bombay and Marseilles, will be despatched in separate Packets.

Third.—Letters for the United Kingdom of Great Britain, weighing less than a quarter of an ounce, and passing through France, are charged single postage, which by that route amounts to 2s. 8d. By the Falmouth route, Letters of half an ounce in weight, are subject to single postage only, which by that route, has now been reduced to 1s.

Newspapers, if sent via Falmouth, are free of postage; but if transmitted by the way of Marseilles, they are charged 2d. each.

THE 19TH NOVEMBER, 1838.

The following revised Terms and Conditions for making Advances in India and China upon Goods and Merchandize consigned to England are published for general information, also the following paragraphs 5 and 6 of the despatch of the Hon'ble Court of Directors, dated 17th August, prescribing the same for future observance:

TERMS AND CONDITIONS FOR

MAKING ADVANCES IN INDIA AND CHINA,
UPON

The Goods and Merchandize of Individuals intended for Consignment to England, re-payable to the Court of Directors of the East India Company.

1st.—The parties to whom Advances may be made shall agree that the respective Consignments be delivered into such Warehouses as the Court of Directors may approve: and that they be subject to the control of the Court of Directors until the lien of the Company upon the Consignment shall have been satisfied.

2d.—Upon each Consignment, the value of which is to be ascertained by the Officers of the Indian Government, or Authorized Agents of the East India Company, an Advance not exceeding three-fifths of such ascertained value will be made.

The rate of Exchange to be determined from time to time at the place where the Advance is made under the Court's orders.

s. d.

Per Company's Rupee for Advances made at.....	Bengal.

Per Spanish Dollar Ditto.....	Bombay.
	China.

4th.—The Parties will be required to place in the hands of the Board of Customs, Salt and Opium, Bills of Lading of the Consignment and Policies of Insurance, and to forward them, both in triplicate. The Bills of Lading must be drawn

deliverable to the East India Company, or endorsed to the order of the East India Company. The Policies of Insurance must be effected in the name and on behalf of the East India Company, as the Parties interested, or endorsed to their order; but persons desirous of effecting the necessary Insurance in this Country, and of depositing the Policies in the Company's Treasury, will be allowed to do so.

5th.—In case of default being made either in acceptance, or payment of the Bills, the Court of Directors to be authorized, in such manner and at such times as they may see fit to sell the Goods, for the purpose so re-paying the Company the amount of the Advances made thereon, including Freight and any other charges or expenses which the Company may have incurred on account of the Consignment, together with interest, should any have accrued; the Company, on the other hand, allowing discount, where any part of the proceeds shall be realized before the Bills fall due, and the settlement of either surplus or deficiency shall be made with the Consignor; and if in India or China by the Government or Agents from whom he received the Advance, at the rate of exchange at which the Company may at the time be drawing Bills upon such Government or Agents.

6th.—An Agent in England shall be appointed for each Consignment, to whom the Court of Directors shall be empowered to make over the Goods, subject to all the conditions agreed upon with the Company, on payment of the Bills; and with whom they shall be authorized to transact generally all business relating to such Goods. The Consignor shall be at liberty to make provision, in case of the Party upon whom the Bill is drawn, (being also the Agent) having failed to accept the Bill, for the substitution of another Agent.

7th.—After the arrival of the Goods in England and when they shall have been placed in such deposit as may have been agreed upon, the Agent may be put into possession of them before the Bills become due, upon the amount of such Bills (less discount) being paid, together with the Freight and any other charges and expenses which the Company have paid or may be subject to on account of the Goods.

8th.—The rate of Discount to be allowed by the Company, shall be the same as that charged by the Bank of England; and in cases where interest shall have accrued, such interest shall be computed at the rate or rates per cent. at which the Company have allowed Discount during the period for which such interest is chargeable.

9th.—Parties or their Agents will be required to insure the Goods from fire, and deposit the Policies with the East India Company; such Insurance to take effect from the date of the termination of the Sea risk. Should however the Parties or their Agents fail to effect such Insurance, the East India Company shall be at liberty to insure the Goods, the expense of which shall be reimbursed to them previously to their making over the Goods to those Parties or their Agents.

10th.—Parties receiving Advances, to address in each instance a Letter in quadruplicate to the Court of Directors, according to a form which will be furnished by the Officers of Government (or authorized Agents of the East India Company), signifying their assent to all the foregoing conditions, but more particularly for the purpose of expressly authorizing the sale of the Goods by the Company (without either notice to or concurrence of any person whomsoever) at any period after default shall be made either in acceptance or payments of the Bills; also authorizing, in such cases, the re-paying to the Company the Advances made, either principal or interest, together with any other charges or expences which the Company may have incurred in respect of the Goods, and appointing the Agent in England for each transaction.

Extract of a Despatch from the Hon'ble the Court of Directors in the Financial Department, dated the 17th August, No. 13 of 1838.

5.—In future we desire that you will restrict your Advances to the great staple Articles of Indian Produce, Cotton, Silk, Sugar, Coffee, Indigo, Salt Peter and Piece Goods—and further that no Advance be made upon any Consignment the ascertained value of which shall be less than 5,000 Rupees.

6.—Several Packages of Tobacco upon which you have made Advances have been seized by the Officers of Customs, in consequence of their having been imported in illegal Packages.—Extracts from the Acts 3 and 4, Will 4, Cap. 52, Sec. 58, and 6th and 7th Will. 4, Cap. 60, Sec. 4, relating to the Article of Tobacco, are transmitted in the Packet.

OVERLAND LETTERS AND POSTAGE.

IT is hereby notified for general information—
First.—That all Letters and Newspapers, except Soldiers' and Sailors' Letters, intended for transmission by the Overland Mails, and except those specially marked "via Falmouth," will be sent through France, and thus be subject to the heavier rate of postage.

Second.—Letters and Newspapers addressed to France, as well as those to other foreign countries, with which France is the channel of communication (if the latter are expressly directed to be so sent) will be made up in Packets and sent to the French Post Master at Marseilles; but Letters for Foreign Countries, other than France, if not specially directed to France, will be included in the Packets for England. Letters, &c., for places lying between Bombay and Marseilles, will be despatched in separate Packets.

Third.—Letters for the United Kingdom of Great Britain, weighing less than a quarter of an ounce, and passing through France, are charged single postage, which by that route amounts to 2s. 8d. By the Falmouth route, Letters of half an ounce in weight, are subject to single postage only, which by that route, has now been reduced to 1s.

Newspapers, if sent via Falmouth, are free of postage; but if transmitted by the way of Marseilles, they are charged 2d. each.

GENERAL POST OFFICE NOTICE.

UNDER the orders of Government, the subjoined Notice to the Public of England, is promulgated for the information of the Public of India: and as the inconveniences described in that Notice, as arising out of the use of sealing wax, for closing letters, are equally experienced in India, it is strongly recommended that the use of wafers be universally adopted as suggested by the English Post Office Authorities.

No. 9, 1840.

NOTICE TO THE PUBLIC AND INSTRUCTIONS TO ALL POST MASTERS AND LETTER RECEIVERS.

General Post Office, August 1840.

The practice of sealing letters passing to and from the East and West Indies, and other warm climates, with wax, is attended with much inconvenience, and frequently with serious injury to the letters, in consequence of the melting of the wax and adhesion of the letters to each other.

In the case of a Mail recently received from India, considerable delay was occasioned at this Office, and notwithstanding the greatest care was taken in separating the letters, which, owing to the cause already mentioned, adhered closely together, many were much damaged and torn: the Public are therefore recommended in all possible cases to use wafers in preference to wax in sealing their letters sent to India or other warm climates, and also to advise their correspondents in those countries to pursue the same course.

Post Masters are also enjoined to give every publicity to this caution.

SECOND SUPPLEMENT TO

The Calcutta Gazette.

Published by Authority.

WEDNESDAY, NOVEMBER 18, 1840.

FORT WILLIAM, JUDICIAL DEPARTMENT,

THE 2D NOVEMBER, 1840.

The Right Hon'ble the Governor General of India in Council is pleased to direct, that the following Resolution recorded by the Hon'ble the Lieut.-Governor N. W. Provinces, together with the Schedule of Works of Public Utility executed by Individuals at their own private cost within the North Western Provinces during the year 1839, be published for general information, in continuation of those published in the Calcutta Gazette of the 14th October, 1840.

Published by Order of the Right Hon'ble the Governor General of India in Council,

T. H. MADDOCK,

Secy. to the Govt. of India.

Resolution by the Hon'ble the Lieut.-Governor N. W. Provinces, dated the 16th October,

The several functionaries of the North Western Provinces having, in accordance with the provisions of the Resolution of Government, dated the 8th October 1839, furnished a report of the various Works of Public Utility executed by Individuals at their own private cost, during the year 1839, with a list of their names, His Honor the Lieutenant Governor is pleased to record the following observations thereon.

It is satisfactory to His Honor to remark, of the Works reported, that although there are none on a very extensive scale, yet that there are many of great local importance; and which, from their number, form no inconsiderable addition to the operations of public improvement now in progress throughout these Provinces.

To those individuals, who have thus distinguished themselves as public benefactors, the thanks of Government are due; and His Honor expresses a sincere hope, that they will persevere in a course, which is so productive of credit to themselves and advantage to the community at large.

While thus expressing generally his feelings of approbation of these acts of public benevolence, His Honor feels himself bound to select from this honorable body, some individuals, who are in His Honor's opinion, pre-eminently entitled to notice.

Allahabad Division, Jewrakhun Pandey constructed a pucka tank, at a cost of Rupees 5,000, at Musswanpore, Zillah Cawnpore. Cotwalee Cawnpore.

Benares Division, A public Garden has been formed, surrounded by a Pucka Wall and Pucka Garden House. *Azimgurh District.* was projected, liberally supported and managed by Mr. H. C. Tucker, the Officiating Magistrate and Collector.

Ajmere. Lieutenant J. D. Macnaghten, Ram Pershaud Seth and other individuals subscribed to the amount of Rupees 12,785, which amount, together with Rupees 5,000, presented by Government, were appropriated to cutting a road through a high rocky hill, which will save a circuitous route between Ajmere and Pokhur.

Ram Persaud Seth, likewise constructed from his own resources, a large Pucka Well at Ajmere, at a cost of Rupees 1,000.

His Honor confidently hopes, that the excellent example afforded by these individuals, will be cordially followed by many others; and that thus private munificence may unite with the exertions of the Government, in promoting and executing such works as will bring into action the resources of the country; and add greatly to the comfort and happiness of its inhabitants.

Secy. to Govt.-N. W. P.

4th.—The Parties will be required to place in the hands of the Board of Customs, Salt and Opium, Bills of Lading of the Consignment and Policies of Insurance effected thereon, both in duplicate. The Bills of Lading must be made

deliverable to the East India Company, or endorsed to the order of the East India Company. The Policies of Insurance must be effected in the name and on behalf of the East India Company, as the Parties interested, or endorsed to their order; but persons desirous of effecting the necessary Insurance in this Country, and of depositing the Policies in the Company's Treasury, will be allowed to do so.

5th.—In case of default being made either in acceptance, or payment of the Bills, the Court of Directors to be authorized, in such manner and at such times as they may see fit to sell the Goods, for the purpose of re-paying the Company the amount of the Advances made thereon, including Freight and any other charges or expenses which the Company may have incurred on account of the Consignment, together with interest, should any have accrued; the Company, on the other hand, allowing discount, where any part of the proceeds shall be realized before the Bills fall due, and the settlement of either surplus or deficiency shall be made with the Consignor; and if in India or China by the Government or Agents from whom he received the Advance, at the rate of exchange at which the Company may at the time be drawing Bills upon such Government or Agents.

6th.—An Agent in England shall be appointed for each Consignment, to whom the Court of Directors shall be empowered to make over the Goods, subject to all the conditions agreed upon with the Company, on payment of the Bills; and with whom they shall be authorized to transact generally all business relating to such Goods. The Consignor shall be at liberty to make provision, in case of the Party upon whom the Bill is drawn, (being also the Agent) having failed to accept the Bill, for the substitution of another Agent.

7th.—After the arrival of the Goods in England and when they shall have been placed in such deposit as may have been agreed upon, the Agent may be put into possession of them before the Bills become due, upon the amount of such Bills (less discount) being paid, together with the Freight and any other charges and expenses which the Company have paid or may be subject to on account of the Goods.

8th.—The rate of Discount to be allowed by the Company shall be the same as that charged by the Bank of England; and in cases where interest shall have accrued, such interest shall be computed at the rate or rates per cent. at which the Company have allowed Discount during the period for which such interest is chargeable.

9th.—Parties or their Agents will be required to insure the Goods from fire, and deposit the Policies with the East India Company; such Insurance to take effect from the date of the termination of the Sea risk. Should however the Parties or their Agents fail to effect such Insurance, the East India Company shall be at liberty to insure the Goods, the expense of which shall be reimbursed to them previously to their making use of the Goods, or their Agents.

16th.—Parties receiving Advances, to address in each instance a Letter in quadruplicate to the Court of Directors, according to a form which will be furnished by the Officers of Government (or authorized Agents of the East India Company), signifying their assent to all the foregoing conditions, but more particularly for the purpose of expressly authorizing the sale of the Goods by the Company (without either notice to or concurrence of any person whomsoever) at any period after default shall be made either in acceptance or payments of the Bills; also authorizing, in such cases, the re-paying to the Company the Advances made, either principal or interest, together with any other charges or expences which the Company may have incurred in respect of the Goods, and appointing the Agent in England for each transaction.

Extract of a Despatch from the Hon'ble the Court of Directors in the Financial Department, dated the 17th August, No. 13 of 1838.

5.—In future we desire that you will restrict your Advances to the great staple Articles of Indian Produce, Cotton, Silk, Sugar, Coffee, Indigo, Salt Peter and Piece Goods—and further that no Advance be made upon any Consignment the ascertained value of which shall be less than 5,000 Rupees.

6.—Several Packages of Tobacco upon which you have made Advances have been seized by the Officers of Customs, in consequence of their having been imported in illegal Packages.—Extracts from the Acts 3 and 4, Will 4, Cap. 52, Sec. 58, and 6th and 7th Will. 4, Cap. 60, Sec. 4, relating to the Article of Tobacco, are transmitted in the Packet.

GENERAL POST OFFICE NOTICE.

UNDER the orders of Government, the subjoined Notice to the Public of England is promulgated for the information of the Public of India: and as the inconveniences described in that Notice, as arising out of the use of sealing wax, for closing letters, are equally experienced in India, it is strongly recommended that the use of wafers be universally adopted as suggested by the English Post Office Authorities.

 Offg. Post Master General.

No. 9, 1840.

NOTICE TO THE PUBLIC AND INSTRUCTIONS TO ALL POST MASTERS AND LETTER RECEIVERS.

General Post Office, August 1840.

The practice of sealing letters passing to and from the East and West Indies, and other warm climates, with wax, is attended with much inconvenience, and frequently with serious injury to the letters, in consequence of the melting of the wax and adhesion of the letters to each other.

In the case of a Mail recently received from India, considerable delay was occasioned at this Office, and notwithstanding the greatest care was taken in separating the letters, which, owing to the cause already mentioned, adhered closely together, many were much damaged and torn: the Public are therefore recommended in all possible cases to use wafers in preference to wax in sealing their letters sent to India or other warm climates, and also to advise their correspondents in those countries to pursue the same course.

Post Masters are also enjoined to give every publicity to this caution.

By Command,

OVERLAND LETTERS AND POSTAGE.

IT is hereby notified for general information—

First.—That all Letters and Newspapers, except Soldiers' and Sailors' Letters, intended for transmission by the Overland Mails, and except those specially marked "via Falmouth," will be sent through France, and thus be subject to the heavier rate of postage.

Second.—Letters and Newspapers addressed to France, as well as those to other foreign countries, with which France is the channel of communication (if the latter are expressly directed to be so sent) will be made up in Packets and sent to the French Post Master at Marseilles; but Letters for Foreign Countries, other than France, if not specially directed to France, will be included in the Packets for England. Letters, &c., for places lying between Bombay and Marseilles, will be despatched in separate Packets.

Third.—Letters for the United Kingdom of Great Britain, weighing less than a quarter of an ounce, and passing through France, are charged single postage, which by that route amounts to 2s. 8d. By the Falmouth route, Letters of half an ounce in weight, are subject to single postage only, which by that route, has now been reduced to 1s.

Newspapers, if sent via Falmouth, are free of postage; but if transmitted by the way of Marseilles, they are charged 2d. each.

No. 2. Report of the examination of such Opium.

15. The Public are hereby informed that in providing the investment of the Behar and Benares Opium for the year 1839-40, the same precautions have been taken as those which have been observed during past years, to have the Drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cakes, and to have the due proportion of Opium put into each cake. An account of the weight of the Drug when packed at Behar and Benares, and a Statement of the average weight of Six Chests from each dispatch at Calcutta, may be seen on application at the Office of the Secretary to the Board of Customs, Salt and Opium.

16. Four Chests of Behar and Benares Opium which have been reserved from the provision of the two preceding years, will be also shewn to the Purchasers on the day of Sale to enable them to judge of the state of preservation in which the Drug has kept.

18. It is hereby further notified that under the 6th Article of the Convention between Great Britain and France, dated the 7th March 1815, quoted below, the Agents in India of his Majesty the King of the French, or Persons duly appointed by them, are entitled to demand that out of the quantities of Behar and Benares Opium declared as above for Sale—at the five Sales in the months of January, February, April, May and June, there shall be delivered to them at the average of the particular Sale or Sales to which the Opium so applied for may belong, a quantity not exceeding in the aggregate 300 Chests, and the Agents of the French Government must make requisition for the whole of the Opium required by them during the year within 30 days after the publication of this Advertisement, specifying the particular Sale or Sales from which the quantity of Opium is intended to be taken. If the Agents of the French Government shall not make the requisition for Opium within the time abovementioned, the entire quantity of about 18,829 Chests of Behar and Benares Opium as above estimated, will be brought to sale in the usual manner, and if they shall make application for a quantity of Opium to be delivered to them out of the quantity advertised for sale at each or any of the five Sales abovementioned, but shall not pay for it within the prescribed period of payment, the Governor of Bengal reserves to himself the right of disposing of the Opium which the French Authorities may so fail to pay for, either by increasing the quantity reserved at the Sale next ensuing the date of payment, or by selling it at a Sale to be held expressly for the purpose.

ARTICLE.

Article of the Convention. "With regard to the Trade in Opium it is agreed between the high contracting parties that at each of the periodical Sales of that Article there shall be reserved for the French Government and delivered upon requisition duly made by the Agents of His Most Christian Majesty, or by the Persons duly appointed by them, the number of Chests so applied for, provided that such supply shall not exceed three hundred Chests in each year, and the price for the same shall be determined by the average rate at which Opium shall have been sold at every such periodical Sale, it being understood that if the quantity of Opium applied for at any one time shall not be taken on account of the French Government by the Agents of His Most Christian Majesty within the usual period of delivery, the quantity so applied for shall nevertheless be considered as so much in reduction of the three hundred Chests herein before mentioned—the requisitions for Opium as aforesaid are to be addressed to the Governor General at Calcutta within thirty days after notice of the intended Sales shall have been published in the Government Gazette."

By Order of the Board of Customs, Salt and Opium,
W. BRACKEN, Offg. Secretary.

East India Army Agency,

16, CORNHILL, AND 8, ST. MARTIN'S PLACE,
CHARING CROSS.

Messrs. GRINDLAY, CHRISTIAN, & MATTHEWS.

THE numerous communications which have been addressed to Captain Grindlay from all parts of India, conveying the most flattering approbation of the manner in which his duties to his constituents have hitherto been performed, and the most cordial assurances of support to the new Firm, commenced in November, 1838, are felt by him to call for a public expression of gratitude.

In thus offering his thanks for the extensive and honorable patronage long afforded to the Establishment under his sole management, and now so kindly promised to the Firm of GRINDLAY, CHRISTIAN AND MATTHEWS, he begs to assure his numerous friends and well wishers, that the efforts of himself and his partners will be unremittingly directed to merit the continued confidence reposed in them by the various branches of the Indian community, both at home and abroad.

The high character attained by the Establishment under his superintendence has been the result of many years' perseverance,—Its pretensions were tested by experience, and the value of the facilities which it afforded for the dispatch of business, tried and vouched for by a large proportion of those whose engagements led them to India. It is acknowledged with pride, that success followed exertion, and the means have thus been obtained of increasing the resources of the Establishment and greatly enlarging the circle of its usefulness.

In conclusion, Messrs. GRINDLAY, CHRISTIAN AND MATTHEWS have only to remind their Subscribers and the Public at large, that they continue to transact every description of business connected with India and the Colonies.

Parties desiring to support this Agency are informed that Subscriptions of 12 Rupees per annum will be received by

Messrs. COLVIN, AINSLIE, COWIE & Co., Calcutta.
Messrs. BINNY & Co. Madras.
Messrs. LECKIE & Co. Bombay.

ADVERTISEMENT.

It being understood that Public Officers, in ignorance of the existence and nature of the Orphan Press Contract with Government, occasionally employ other Presses to the prejudice of the Orphan Institution, the General Management deem it expedient to publish, for general information, the following extract of a Letter from Mr. Secretary Prinsep, showing that the Orphan Press has the exclusive privilege of Printing for Government.

"I am directed to acknowledge the receipt of your letter of the 6th instant, and in reply to state that it is by no means the intention of the Government to withdraw any part of its printing business from the Orphan School Establishment, or to allow Public Officers to give a preference to other Presses.
